Subject : **SNECMA approval for Welding items production – Quality Assessment**

Dear Sir,

After review of your quality organisation, technical capabilities and the survey of your facilities by Mr ZAAG the 7th and 8th of November 2012, we are pleased to confirm Astrolite Alloys approval for welding items production.

We have noted as required on the SAFRAN Group procedure GRP-0087 "Requirements applicable to Suppliers" that :

- The Quality Management System is certified ISO 9001:2008 and AS 9100C
Scope of supply: Manufacturer and distributor of welding wire products for the aerospace, defence and commercial industries.
Certificate of registration on Appendix 1
- You maintain permanent and suitable measures to improve your Quality Management System for the activities associated with the production of the product.
Periodical assessment presented.
- Laboratory tests are subcontracted at qualified laboratories.

Please, you found below the meeting minutes.

We would like thank you for the organisation of the audit, for your cooperation and for the warm welcome that you extended to our representative

Best regards.

The Auditor

Khaled ZAAG
